Summer Training

Solving Competitive problems with Data Structures

Jun'23-July'23

- Mastered the art of tackling complex problems through an online course.
- Developed expertise in implementing various algorithms to uncover optimal solutions for diverse challenges.
- Honed proficiency in manipulating data structures like arrays, linked lists, trees, and graphs to streamline problem-solving.

Projects

Internship Portal: | Jul' 24

- User Authentication: Implemented secure user registration, login, and logout functionality using JWT.
- Opportunities Page: Created a page that fetches and displays a list of opportunities, allowing only logged-in users to apply.
- Redirection for Unauthenticated Users: Ensured logged-out users are redirected to the login page when attempting to apply for opportunities.
- Tech: MERN Stack (MongoDB, Express, React, Node.js)

Movies inside and ticket booking Website: | Mar'24

- Developed a dynamic web application allowing users to search for any movie using API integration, view ratings, and read overviews.
- Implemented features for user authentication, real-time movie database from API with filter options by year and rating, and secure ticket booking.
- Ensured a responsive UI design for compatibility across mobile, tablet and desktop screens.
- Tech: HTML, CSS, JavaScript, Api integration.

Certificates

- | | |
|--|--------|
| • Introduction to front end development Meta Coursera | Apr'24 |
| • Foundations: Data, Data, Everywhere Google Coursera | Apr'24 |
| • Divide and Conquer, Sorting and Searching Algorithms Coursera | May'23 |
| • Excel Skills for Data Analytics and Visualization Specialization Macquarie University Coursera | Dec'23 |
| • Introduction to Artificial Intelligence (AI) IBM Coursera | Mar'23 |
| • R Programming John Hopkins University Coursera | May'24 |
| • The Complete Theory of Computation Udemy | Oct'23 |

Skills

- **Languages:** Java, JavaScript, R
- **Frameworks:** HTML and CSS, NodeJS, React
- **Tools/Platforms:** MySQL, Excel, Tableau
- **Soft Skills:** Problem-Solving Skills, Team Player, Project Management, Adaptability
